Greetings and Salutations Friends, Family, & other nice people.

As some of you may know my wife and esteemed colleague of 9 years Mrs. Jessica R. Stapleton will be turning 30 this year.

Please take this email as a formal request to save the date of **July 26th** for a party to celebrate this milestone of being one third of the way to death. (Statistically speaking)

But Jake, this is a full 2 weeks before her birthday what's up?

First, it is a **Surprise Party** so what is more of a surprise than 2 weeks before her birthday, this should keep her off balance with any possible snooping.

Second, her Brother Ricky will be working on an Indian Reservation from July 27th until August 9th to complete some of his dental school requirements. Since I do not want to delay his graduation and thus delay the start of my free dental care, he will need to be gone during the afore mentioned time frame. If I throw the party when he gets back that's the day of my birthday NOT COOL. (it's all about Jess just ask her)

The time and location of the party are to be determined. (On top of things aren't I?) The only thing that I know for sure is that no presents are expected or required. I can however safely say the party will be somewhere in the state of WV most likely in the greater Cabell County Metro Statistical Area.

For those of you whose email I obtained by hacking into Jess's Yahoo account please forward this email to anyone I may have missed.

For those of you who feel that I may have missed someone by only sending email invitations please print out this email and put it on the next horse out to Amish Country. (My mom even has email I have no sympathy for anyone on this issue anymore)

Since I have not secured a location for this happy occasion, please RSVP to me by close of business on 6-27-08 so that I can have a semi-accurate head count.

If there are any questions or concerns please do not hesitate to contact me at my cell 1-304-360-2424 or more preferably for security reasons at the super secret email address that this email came from jessisthebig30@jakestapleton.com.

Best Regards

Greetings and Salutations Friends, Family, & other nice people.

I hope that this email finds you all doing well. Just wanted to get back with everyone on the location and time for Jess's Party. I have reserved the Fellowship Hall at our church for the celebration. You can obtain directions to the church using the map quest link below

[Mapquest Pre-filled Directions Link](#)

The street address is

5945 East Pea Ridge Road

Huntington, WV 25705

So far I have received RSVP's for around 20 and I will of course plan for a little extra. If you have not sent an RSVP and you are still planning to attend please let me know by July 15th.

I am planning a **4:00** start time for the party, if everyone could be there about 3:45 for the surprise part it would be appreciated. Some of you will be shortly receiving an email with your covert instructions for getting my wife to the party.

If there are any questions or concerns please do not hesitate to contact me via email jessisthebig30@jakestapleton.com or my cell 304-360-2424.

Thanks

Jake

Covert Operational Plans for Jess's Birthday Party

Greetings covert operatives,

This is your mission should you choose to accept it.

Ricky, you are coming into town next weekend to take Jess & I out to dinner for our birthdays since you will be out of town during that time frame. We are going to plan for an early dinner about 4:00. This will allow you to pick up Jess and get her to the party.

Rick, you are going to have a major disaster of some kind at the apartments on Saturday say around 11:30. You will be calling me to assist; otherwise you will have to put all of 16th street up in a hotel for the night. Being the slum lord you are this will of course worry you. This will allow me time to get to the church to prep everything and pick up the party stuff.

Rick Eagan, your wife is always late! Please tell her that you guys need to be at the church by 3:30 so that Jess does not see you pulling out of Mahood and follows you to the church. Once again this is a large fear because Sandy always makes you late.

If anyone has any questions please feel free to contact me. If you are contacting me by phone use the code phrase "the blue dogs barks twice after midnight but before dinner". For security reasons close this email with in 60 seconds or your computer will explode.

FINAL covert operation assignments

Jake Stapleton <jessisthebig30@jakestapleton.com>

To: Megan Kitts <kristenk11384@yahoo.com>, Rick Cremeans <rcremeans1957@yahoo.com>, Ricky Cremeans <rcremeans112@yahoo.com>

In response to a prior email and 5 beers here is the final condensed version of the covert time table.

- 11:30 Big Tiger does the escape call
- 13:30 Jake & Megan and anyone else who would like start to decorate the church
- 15:00 Mom & Laura arrive at the church with the last of the food
- ??:?? Lil Tiger comes to pick up Jess for dinner at the appointed time.
- 15:20 I will give Jess a call and tell her that I have been able to help your dad, I have showered at his house (without him) and I am on my way to meet for dinner may be a little late.
- 15:50 I will call Jess (finding out you guys have not left yet) and tell her that on my way home I got a call from the church and the video system is not working and I will have to stop to fix it. I will tell her during the call you guys can pick me up at church (I will leave the front door unlocked and Lil Tiger will need to park out front).

My only concern is that guests are supposed to be in place by 15:45 and ready to party at 16:00. So Lil Tiger may have to pick up Jess way later than the 15:00 that she told me tonight. If this is a problem we can make this my fault as we are going later to try to give me a chance to come to dinner.

If anyone has any questions please come now I will be checking my email up until the time of the escape call tomorrow. After 11:30 I can be reached by cell or text, after 13:30 text only my cell phone will not work in the basement of the church.

If there are any questions or concerns please do not hesitate to contact me.
