

This is a test of my font. I think it looks exactly like my hand writing but I typed this in word. This is a new service from a website I read an article about

<http://www.fontcapture.com/>

the article is here

<http://lifehacker.com/5347212/fontcapture-turns-your-handwriting-into-a-font>

When I do stuff like this it makes my wife's head hurt.
